

LOUVRE MUSEUM-ABU DHABI

view

Application range	Type
Cultural Facilities, Exhibition Centre	Reference

The iconic Louvre Abu Dhabi is the first universal museum in the Arab World, designed by a floating culture in the form of dome that represents the dynamic nature of the contemporary Arab world. While art lovers wandering through the promiscuous galleries, TROX Middle East understands competently the art of handling air and it is consistently expanding by means of intensive research and development activities.

Scope of applications:
Conference, Cultural facilities

Location:
Abu Dhabi and United Arab Emirates
